

tunic top, stitchu pattern

4 pieces · 2.15 m fabric at 140 cm · seam allowance 1.5 cm INCLUDED, cut on the OUTER line, sew on the inner fine line

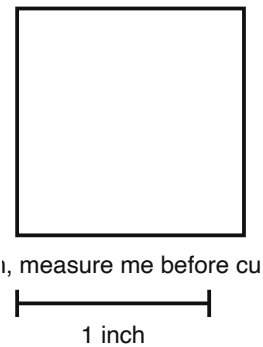

Cutting list, every piece numbered with the sheets it prints on:

no	piece	cut	sheets
1	Top Front	cut 1 on fold	A1, A2, B1, B2, C1, C2, D1, D2
2	Top Back	cut 2	D1, D2, E1, E2, F1, F2, G1, G2
3	Spaghetti Strap (ince askı)	cut 2 rectangle(s) 46 x 170 mm (finished 8 mm wide, a plain self-lined tube at the finished 140 mm strap span)	G1, H1

MARK THESE DIRECTLY ON THE FABRIC with chalk and a ruler (straight strips, no printed piece needed). Space the gather notches evenly along each strip's top edge:

- Bias binding (neckline + armholes), cut 1 strip(s) 1263 x 25 mm ON THE BIAS (45° to the grain), join end to end (total 1263 mm = edge 1243 mm + overlap), press in half, wrap the edge and trim the excess

15 sheets. Lay them in a grid 2 across (big corner code = row letter + column number: A1 top-left). Cut or fold along the dashed page frame, tape edge to edge: the black corner squares and edge ticks must COMPLETE across the joint, a piece running off a page tells you which sheet it continues on. PRINTER SETTINGS: scale 100%, headers/footers OFF, then verify the 3 cm square below.
