Front Neck Facing, cut 1 on fold, interface

Back Neck Facing, cut 2, interface

## Assembly

12 sheets in a grid 2 across (A1 top-left). Print at 100% scale, headers and footers off. Cut or fold along the dashed page frame and tape edge to edge: the black corner squares and edge ticks complete across each joint, and a piece running off a page tells you which sheet it continues on. Verify the 3 cm square before cutting.
